

**Bangor Humane Society is pleased to
announce we are re-opening to the public on
*Monday, July 6, 2020!***

**We will resume our pre-COVID hours:
Monday-Friday: 12pm-6pm
Saturdays: 10am-6pm**

What we're doing for your safety:

- Our staff will be masked at all times.
- Plexiglas germ shields have been installed at all stations that serve the public.
- Brochures and paper materials will be limited to reduce high-touch areas.
- Routine sanitizing will take place in all public trafficked areas.
- Sanitization stations will be available at entry and exit points.

What we're asking of you:

- No more than 10 visitors will be allowed in the shelter at any given time.
 - Entry will be allowed on a first come, first served basis. This system will be regulated with number cards located at the entry.
 - Each individual visitor must take a number card (family of four=four cards).
 - If there are no numbers available, visitors are asked to wait outside or in their vehicles until a number card becomes available.
 - Cards will be sanitized before being replaced for the next visitor in line.
- Masks will be required for all visitors; no exceptions will be made for those wishing to meet with animals and/or complete adoptions with a counselor.
- Guests will be encouraged to follow social distancing guidelines of 6ft. or more.
- We ask that guests refrain from touching the kennel glass during their visits to cut down on risk of transmission.

We understand that all these precautions can feel like an inconvenience, and we thank you for helping us honor our priority of ensuring the health and safety of our staff, visitors, and pets. These guidelines are the current, best-practice recommendations from the CDC, and we believe, our best chance of turning the tide and returning to lives marked by unrestricted movement.

We are grateful for your cooperation and in your investment in the most vulnerable in our community.
